

Teacher Responsibilities

Your KEEP week allows you to observe your students in a new environment. This week you can interact more freely with your students and watch different ways they learn and grow. Many teachers are surprised to see their students change in ways they never imagined! During the week, your expertise will offer insight into student behavior or illness. You will also provide encouragement, support and care both on the trails and on campus.

1. Remain on campus while your students are there (between 3pm - 9am).
A teacher must supervise any child that returns to campus from hikes.
2. Work with the counselors and staff on any student problems, such as discipline and illness.
3. Mornings: At breakfast check-in with counselors. After breakfast check-in with Program Supervisor. Report any night issues. Give schedule for day. If leaving campus, please let Program Supervisor know.
4. Bedtime: Help patrol cabins.
 - 9:00 - 9:15 Cabin check #1
Help settle students.
Remind every cabin it's time for lights out.
 - 9:15 - 9:30 Cabin check #2
If groups still noisy, be strict.
 - 9:30 - 9:45 Cabin check #3 (only if needed)
If groups still noisy, give consequences
5. Teacher Hour: Tues, Wed, & Thu from 3:30p - 4:30p.
Counselors & naturalists are on break. Please, no recess time!
Give snacks first in the Dome.
If leaving campus, get radio, inhalers, & first aid kit.
Tues = good day for student evaluations
Thurs = T-shirts for the 1st 15 minutes. Good day for group photos
6. Recess: 4:30-5:30p & 6:30-7p.
At least 2 teachers on the yard.
7. Go on at least one field trip with the students during the week.
8. On Friday, clean your trailer & meet with the Program Supervisor to evaluate your week.
