Camp KEEP

SUMMER 3 WEEK FIELD TRIP SERIES

Explore the central coast.  Practice hands-on science skills.  Investigate ocean, tidepool, beach & estuary ecosystems.  Support students’ social-emotional health in nature.

COST:

• $2500/series of three, one-day field trips (30 students max).
• Extra students charged $25/each.
• Private and out of county fee $100/class.
• No charge for teachers & chaperones.

SCHEDULE:

• 10:00  Arrival. Welcome. BYO snack.
• 10:30  Guided outdoor coastal exploration.
• 12:00  BYO picnic lunch & campfire songs.
• 1:00   Hands-on coastal science activities.
• 3:30  Departure.

SCHOOL PROVIDES:

• Transportation to, from, & around central coast.
• Morning snack & picnic lunch for all.
• 1 teacher per class (supervises behavior, safety, meds, 1st aid).
• 1 adult chaperone per 10 students.
• Extra adults for students requiring 1-on-1 assistance.

KEEP PROVIDES:

• Experienced naturalists to lead field trip.
• Hands-on science and guided exploration.
• Science tools and teaching equipment.
• A day of excitement, teamwork and amazing memories!
