Grounds	<ul style="list-style-type: none"> <li>* <b>Native Garden</b> - Lend a hand (or several) nurturing our native garden and frog pond to attract maximum wildlife!</li> <li>* <b>Food Forest</b> - Research and plan a *very small* food forest with fruiting trees and edible plants that can flourish in our climate and sandy soil but not take over the habitat. Donate and plant one or more of the plants in the plan according to the "food forest" plan.</li> <li>* <b>Mini Golf</b> - update and improve our mini golf area</li> <li>* <b>Bird &amp; Bat Houses</b> - Enrich our students' experience by donating and/or installing bird, bat, and owl boxes targeting species native to our location to attract wildlife to our site. Information on <b>bat</b> and <b>bird</b> houses linked here.</li> </ul>
Site Needs	<ul style="list-style-type: none"> <li>* <b>Furniture Donations</b> - Adopt a trailer and make it shine! Our Teacher Trailers need a refresh We are looking for arm chairs, couches, oven/range, and area rugs in great condition. We also have a need for an RV sized range/oven in great condition. But mostly, we would love for someone to take on a trailer and make it comfortable and appealing for our hardworking teachers.</li> <li>* <b>Trailer Removal</b> - Help us remove and dispose of two older, non-functional trailers from our grounds. Both have rusted hitches and are unlivable.</li> <li>* <b>Trailer Donation</b> - Large aluminum, weather-tight trailer or alternative suitable for staff housing, capable of withstanding atmospheric rivers and diligent rodents. Eg Spartans &amp; Airstreams</li> </ul>
