| Grounds | <ul style="list-style-type: none"> * <u>Native Garden</u> - Lend a hand nurturing our native garden and frog pond. * <u>Food Forest</u> - Research and plan a *very small* food forest with fruiting trees and edible plants that can flourish in our climate and sandy soil but not spread. * <u>Mini Golf</u> - update and improve our mini golf area * <u>Bird & Bat Houses</u> - Enrich our students' experience by donating and/or installing bird, bat, and owl boxes targeting species native to our location to attract wildlife to our site. |
| Site Needs | <ul style="list-style-type: none"> * <u>Furniture Donations</u> - Adopt a trailer and make it shine! Our Teacher Trailers need a refresh. We are looking for arm chairs, couches, oven/range, and area rugs in great condition. We also have a need for an RV sized range/oven in great condition. But mostly, we would love for someone to take on a trailer and make it comfortable and appealing for our hardworking teachers. * <u>Trailer Removal</u> - Help us remove and dispose of two older, non-functional trailers from our grounds. Both have rusted hitches. * <u>Trailer Donation</u> - Large aluminum, weather-tight trailer or alternative suitable for staff housing, capable of withstanding atmospheric rivers and diligent rodents (eg Spartans & Airstreams). |
